TO CONTEST FOR HONORS BUT NOT FOR TROPHY CUP

BENTONS ELIMINATED

King City Takes Measure of St. Joe Quintet—Excelsior Sprs, Hamilton and Tina Teams Fail to Show Up

The first game in this afternoon's tournament between New Hampton and Maitland proved a walk-away for the New Hamptonites, the final score being 62 to 18.

With eleven teams contesting for the championship of Northwest Missouri, the second annual basket ball tournament staged under the auspices of the Normal opened this morning at 9 o'clock.

Three games were played this morning and three more will be played this afternoon. Two games tonight will put the tournament into the semi-finals stage.

The teams contesting are Maryville, Bethany, Maitland, New Hampton, Bethany, King City, Oregon, Pattonsburg, Richmond, Rock Port and Tarkio. Excelsior Springs, Hamilton and Tina are the teams that failed to show up.

Maryville high school, for the second time in two years, is being allowed to take part in the tournament because of the failure of one of the eligible teams to arrive. The invitation was extended to them this morning after a meeting of the coaches and the officials of the meet, who put the matter to a vote and decided that the local team would be allowed to compete for championship honors but not for the cup.

Maryville will meet Richmond high school this afternoon. Richmond is also allowed to compete only for the tournament honors, according to a ruling by the executive committee. This team under the tutelage of Lee (Dad) Scarlett, has lost only one game during the season, but only five of the games played have been with conference teams, one less than the required number.

Benton Is Beaten.

This morning's play resulted in the elimination of St. Joseph Benton, Oregon and Bethany by King City, Tarkio and Pattonsburg, respectively. The schedule for the afternoon calls for games between Maryville and Richmond, New Hampton and Maitland, and Rockport, and an opponent to be picked from one of the morning losers.

The peculiar situation which calls for a game between Rock Port and one of the teams eliminated this morning is due to the late arrival of the Rock Port five and their failure to notify the executive committee of their coming in time to include them in the regular scehdule.

This Morning's Games.

One of the big surprises came in the first game when King City downed the Benton high school five of St. Joseph. Benton was considered exceptionally strong and had been touted as the probable winners of the tournament. An injury to a star player was probably responsible for the losing of the game to King City, although the latter five played a strong game. The final score was 14-13.

The second game between Oregon and Tarkio developed the best basket ball of the three. The first half ended 17-16 in favor of Oregon, but the Tarkio quintet broke all speed records in the second staza and the final score was 35-20 in their favor. Kyle and Boettner starred for Tarkio, while Bunker showed well for Oregon.

The third game was of the rough and tumble variety, at which game Pattonsburg proved to be superior to Bethany. The score at the end of the first half was 16-8; the final score 25-17.

The winner of the tournament will probably be picked from the teams that play this afternoon, as Richmond, New Hampton and Maitland are considered the class of the tournament by the dopesters. The excellent showing of the Tarkio five this morning places them in this class also.

GIVE FOOD LESSONS

MISS BERTHA BEAL NAMED BY FOOD ADMINISTRATION

YOUNG LADIES WILL AID

Courses of Lessons to be Given Showing How Food Conservation Can Best Be Accomplished

Miss Bertha Beal has been appointed by the government to head the home economics department of the county food administration and has practically completed her plans for the presentation of the two courses of instruction as outlined by the food administration bureau.

Miss Beal spent yesterday in St. Joseph in conference with the heads of the work for Buchanan county. There are two courses of twelve lessons each. One takes up "Food Preparation and Meal Planning," and the other "Preservation of Food." Three lessons will be given each week. So far as possible the lessons will be in the nature of demonstrations, showing how to do the work instead of telling how it is done.

These demonstrations will be in charge of Mrs. Will Phares, Miss Anna Bainum and members of the domestic science class of the High School, Miss Carpenter, Miss Anne Sillers, Mrs. Ed T. Dale, Mrs. Edison Blagg and Miss Laura Curfman, all of whom are graduates and instructors in home economics and the recipes used will be furnished by the government experts in food administration.

This school of instruction will be held in a convenient place up town, but the particular place has not yet been selected. A meeting will be held at the Commercial Club rooms at 5 o'clock tomorrow afternoon, when Miss Beal will outline the work to her assistants. Miss Beal requests that as many representatives from over the county as can do so will come to this meeting so that the work can be taken up in every district.

To pay for the costs of the materials used, a charge of 25 cents is made for each course. This is used only for the materials and cost of operations. No one in the work receives any remuneration.

The aim of these courses is not to train instructors in home economics subjects, and should not be confused with such professional training. The purpose is purely to train all women who attend so that they may be best able to carry out in their own homes the "Hoover Program" and to assist their neighbors to do likewise.

The last number of each course will be in the nature of an examination and women who wish to take this review and examination will be granted a certificate after receiving 75 points out of a possible hundred. This certificate is sent on from Washington and will entitle the holders to be known as "Food Administration Helpers." A fee of 25 cents will be required for each certificate. This is to cover the cost of engraving and postage. While it is the desire of the administration to make the granting of these certificates as easy and simple as possible, yet it is recognized that these certificates should stand for something worth while in the minds of the women who receive them.

Every home in the city will be visited Monday and Tuesday by some one of the workers and as soon as possible it will be advanced all over the county.

PLAN FOR ANNUAL MEETING

Members of the Commercial Club are looking forward to the annual meeting on April 9, when four new directors will be chosen, with unusual interest. Of the present directorate Dr. Will Wallis has resigned, having been called to service in the medical reserve corps, and the terms of E. E. Williams, Roy Curfman and C. W. Yehle will have expired. The officers of the club are named by the board of directors.

At the annual meeting it is also expected to have an out of town speaker who will discuss some of the problems of interest at this time. The club, finding that William Allen White would not be available is in correspondence with several other prominent men and will be able within a few days t omake a definite announcement.

DEATH OF JOHN JACKSON

Well Known Ravenwood Resident Dies After Few Days' Illness—Is Survived by Four Children

John Jackson, a resident of Ravenwood, died at 9 o'clock this morning at his home following a few days illness. Mr. Jackson was 63 years old. He was born at Albany, Mo., and was married November 21, 1886, to Mary Ellen Nelson. Four children were born to Mr. and Mrs. Jackson, all of whom are living. They are Mrs. Alta May Edwards, Roy Jackson, and Mrs. Araminta Kimmit of near Ravenwood, and Miss Wilma Jackson at home. Mrs. Jackson and one half-brother, Dillard Green of Clifton Hill, Mo., and Mrs. Lizzie Hillard of Washington also survive Mr. Jackson.

Funeral services will be held at 11 o'clock Sunday morning at the Ravenwood Christian church, conducted by the Rev. A. R. Hunt of Savannah. Burial will be in the Myrtle Tree cemetery.

'BLAME THE MAYOR'

LETTERS ABOUT FLAG DO NOT PEEVE HIS HONOR

DON'T FEEL AT LIBERTY

Otherwise Council Would Be Glad to Appropriate Funds—Let Citizens Dig Up If They Want Pole Decorated

To Editor Democrat-Forum:

In yesterday's Democrat-Forum an article appeared under the glaring headlines "Is the City Too Poor?" This article was signed by "J. B.," meaning, I suppose, John Barleycorn, a character who never did anything on earth but create dissension and cause disturbance. Now, Mr. John Barleycorn, if there is anything the public detests it is for one to write an article and then be so ashamed of it or too cowardly to sign it. Such articles and anonymous letters are vicious and should have no bearing upon the public. My opinion is this, that if the record of John Barleycorn was looked up you would find that so far as his public spiritedness and giving money as a patriotic citizen should do, would be found wanting. I doubt very much if he contributed one dollar either to the flag pole or a flag to decorate the beautiful flag staff that now stands as a record of the patriotism of a very few as compared to the many of our good citizens. One of the aldermen and myself assumed the responsibility of raising the money to purchase the flagless flagpole now in question, at a cost of $250, of which sum we yet hold the sack for $60.55. This is labor included. We are not grumbling about it, either. Should you, Mr. John Barleycorn, be as much interested in the purchase of a pole for the flag, why don't you get out and help get the money to decorate this pole, giving liberally yourself, and quit barking around in the dark about things you are not willing to do yourself?

Now to you, Mr. Small Giver, you have asked me what I have to say. Well, here it is: If you, Mr. Small Giver, and Mr. John Barleycorn will join in with me the three of us will go equal amounts and pay the balance of the unsubscribed amount necessary to pay for this new flag.

Now, as to the council appropriating this money for the purchase of the flag. It would be very nice, indeed, Could we feel at liberty to do so we would be very glad to do it. I consider public money, in the hands of public officials, simply a public trust and should be zealously guarded and prefer, for one, to dig down in my pocket, especially for a patriotic cause like this, and be forthcoming with the cash. I donated one-fifth of the cost of the flag that now waves proudly in mid air, while it is somewhat the worse for facing so many swift gales, like the veteran that bears the marks of long service, yet stands as a heroic monument of many patriotic deeds. This flag, although tattered and torn, still unfurls its stars and stripes, showing the patriotism of those that contributed to making it possible to decorate this beautiful flagstaff. May it long wave over this land of the free and the home of the brave!

I am not peeved, but only give the above as an appropriate answer to the questions in the unsigned articles.

Now, in the future, if anything happens and you cannot find anyone to

PLAN FOR BIG DRIVE

LIBERTY LOAN WORKERS MEET AT NOON LUNCHEON

ARE GIVEN INSTRUCTION

Solicitors Will Be Required to Report On Non-Subscribers as Well as On Those Who Buy Bonds

Nodaway county is going to win a Liberty Loan flag. It is going over the top with its full quota.

Fifty workers who met yesterday at noon at the Bainum hotel expressed this optimistic view of the third Liberty Loan drive which will start on April 6.

The meeting was called by County Chairman W. C. Pierce and the members of the executive committee for the purpose of familiarizing the various township chairmen and workers with organization plans and how the campaign will be conducted.

Nodaway county's quota is not yet known, the bill authorizing the huge loan being expected to come from congress today when definite announcement of quotas will be forthcoming. Campaign plans, however, have been worked out in minute detail and the coming drive will be the most far-reaching of any yet conducted by the United States government.

Uncle Sam is going to give every man and woman in the country an opportunity to show their patriotism by subscribing to one or more Liberty Bonds. It is learned that through government information bureaus and income tax agents who have been over the country the wealth of individuals is known approximately and also whether or not they are able to make purchases in certain amounts. Each solicitor will be furnished blank forms, one for subscribers and one for non-subscribers. The solicitor will be required to report on both, giving complete details.

Will List the Slackers.

For the subscriber, he will get the name, address and amount subscribed and to what county the sum will be credited, so that each community will receive credit for its full quota. For the non-subscriber, the solicitor will be requested to report the excuse given and what was said in the conversation when asked to subscribe. Uncle Sam wants to know the reason for an evasion of duty.

At the meeting yesterday Chairman Pierce explained that two solicitors would be named for every school district in the county, who would be expected to make a canvass of every family living in the district. Each township will be an independent unit with all working in co-operation with the central county committee, reporting daily the progress of the drive and the amounts subscribed. It was also explained that wherever bonds were purchased the credit for the sale would go to the county or township of which the buyer was a resident.

Pending the official announcement of the loan from Washington, together with the quota from this county, organization plans will continue so that when the drive starts every wheel in the county campaign machine will be ready to turn.

The following members of the executive committee, township committeemen and workers from the various townships were present at the meeting yesterday:

Maryville—W. C. Pierce, Geo. B. Baker, Jas. B. Robinson, H. L. Haines, Jos. Jackson, Jr., W. F. Phares, R. M. Evans.

Clearmont—Roy Hanna, John Burch.

FORGER GETS YEAR IN JAIL

Harry Dempsey Pleaded Guilty Before Justice of the Peace Johnson On Charges Preferred

Harry Dempsey, charged with forging checks, pleaded guilty to the charge before justice of the peace, W. L. Johnson, today and was sentenced to a year in the county jail. Young Dempsey's most recent escapades have been at St. Joseph, where he issued forged checks with which to purchase expensive clothing. Sheriff Dowden has two silk shirts for which Dempsey paid $18, bought with a bogus check. By request of the firm they will be sent back.

KILLED WHEN CAVE FELL IN

Funeral of Chas. Kennedy, Who Met Death On Farm Near Barnard, Is Held at Bolckow

Funeral services for Charley Kennedy, a farmer living about nine miles southwest of Barnard, who was instantly killed Wednesday afternoon when an unset concrete cave fell in on him, while removing the forms, were held this afternoon at Bolckow.

Mr. Kennedy was working alone, when the walls caved in, and the barking of the dog brought the women in the house to the rescue. Help was procured at once, but an hour had passed by before the body was removed. He had been killed instantly.

Three daughters, survive Mr. Kennedy, Mrs. Anna Wordlow of Colorado, by his first wife, and Eva, age 5 and Mary Jane, age 2, by his second wife, who died a year ago. Mr. Kennedy was working on the farm for Lige Jackson.

SHUTS OFF ILLINOIS COAL

Under New Zone Plan Local Dealers Will Get Coal Mined Only In Missouri, Kansas and Colorado

After April 1 Maryville dealers will not be able to get any more coal from Illinois fields and Iowa, but must use coal mined in Missouri, Kansas and Southern Colorado.

Under the new zone plan of distribution of coal, announced yesterday, to become effective April 1, Kansas City, western Missouri and all of Kansas will be shut off from the coal from the southern Illinois, the Kentucky and Iowa fields.

In the future the coal supply for this entire territory must be mined in Kansas, Missouri and southern Colorado. The fuel administration admits that there must be a large increase of production in the Kansas and Missouri mines to make up the coal thus shut off from this territory. The minesmust work all year around instead of closing down during the summer and the coal administration warns householders that they must begin to fill their bins at once and keep their orders going all summer until their winter's supply is in their cellars to avoid a serious shortage next winter.

WORLD'S GREATEST BATTLE ON

OPPOSING ARMIES ON A FIFTY-MILE FRONT FIGHT IN A ROARING HELL

GERMAN TROOPS MOWED DOWN BY BRITISH GUNS

That Pershing's Men Are About to Feel Fury of a Real German Attack Is Belief of Army Men —700,000 Men Engaged

Special to The Democrat-Forum.

London, March 22. — A hurricane battle, in which the Germans suffered terrific losses, raged in the darkness last night all along a fifty-mile British battle front, and in France from the Sensee river at a point opposite Arras to the Oise river south of St. Quentin, and at every point the Germans were held to their positions, the war office announced today.

After midnight a comparative lull settled down on the blood soaked field, but Field Marshal Haig reported this afternoon that a renewal of the German drive was expected at any moment. The battle so far has been a battle of death for the Germans, for the Teutonic soldiery was flung forward in mass formation and was mowed down by the withering machine gun and artillery fire of the British, leaving the field covered with dead and wounded Germans. The second day of the German offensive found the British ready and waiting for a renewal of the assault.

Washington, March 22. — General Pershing's troops are about to feel the full fury of a real German attack. Of this army men here today are thoroughly convinced, as they scanned the reports of the mammoth offensive launched on the west front yesterday. News that has thus far filtered in from the battle lines gives no mention of a thrust against the sectors known to be held by the American units, but the scope of the German drive, whether or not it is the much advertised "grand offensive", cannot but mean that the Americans will feel some part of it.

Graphic pictures of last night's fighting in the "world's greatest battle" was received from France today. While along fifty miles of front, with opposing armies struggling was an inferno of noise and flame and the earth was rocked by tremendous blasts and beneath the salvos of mighty guns the sky was ablaze with bursting shells. Into this roaring furnace dense masses of Germans were driven, only to be swept away by shrapnel and machine gun bullets, which rained a veritable leaden hail of fire.

There were hand-to-hand struggles at some points, the soldiers looking like figures from some other world, and as they wrestled in the smoke and flame, their faces hidden by grotesque gas masks, the British fought like heroes.

More than half a million men and over ten thousand pieces of artillery are engaged in a mighty battle in France. These figures, of course, include reserve troops and the artillery, as well as those engaged in actual fighting and reserve artillerists and aviators. The total number of men taking part in the battle is between 600 and 700 thousand.

Amsterdam, March 22. — Damage done to the German naval works at Ostend harbor by bombardment from British monitors Thursday afternoon, according to information received today.

STOMACH UPSET?

Get at the Real Cause—Take Dr. Edwards' Olive Tablets

That's what thousands of stomach sufferers are doing now. Instead of taking tonics, or trying to patch up a poor digestion, they are attacking the *real* cause of the ailment—clogged liver and disordered bowels.

Dr. Edwards' Olive Tablets arouse the liver in a soothing, healing way. When the liver and bowels are performing their natural functions, away goes indigestion and stomach troubles.

If you have a bad taste in your mouth, tongue coated, appetite poor, lazy, don't-care feeling, no ambition or energy, troubled with undigested foods, you should take Olive Tablets, the substitute for calomel.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. They do the work without griping, cramps or pain.

Take one or two at bedtime for quick relief, so you can eat what you like. At 10c and 25c per box. All druggists.

TAX REPORT READY

WHATEVER HAPPENS THE COMMISSION WILL STAND PAT

BOARD WILL MEET TODAY

If Endorsement Is Given Report Will Mean Total Assessment for State of Approximately 4 Billions

Jefferson City, March 22.—Members of the state board of equalization are being deluged with letters concerning the valuation that will be placed upon the taxable property of the state within the next few days. These letters express a wide variety of opinions. Some of them indicate team work on the part of state institutions for higher valuations and consequently more revenue for the state. The board will probably meet today and it is expected that the tax commission will be ready to report at this time unless, by chance, it is delayed until tomorrow morning.

Whatever may happen the commission is going to stand by its guns and recommend that last year's valuation of property be doubled, which will mean a total assessment of real estate and personal property of approximately four billions of dollars if the board indorses the work of the commission. To this will later be added about a half billion dollars for the public service corporation subject to taxation by the state board. Chairman Roach of the commission stated today that no official figures as to the totals had yet been given out.

There is no assurance that Attorney General McAllister, Secretary of State Sullivan and State Treasurer Middelkamp will vote with Governor Gardner to accept the recommendations of the commission.

In the event the board of equalization approves the work of the tax commission, as it is believed by many they will do, a large majority of the counties in the state having returned assessments on the basis of cash valuation, it is also the opinion that the state tax levy will remain unchanged.

With an unchanged levy Maryville this year will have approximately $26,000 for running expenses as against $10,400 last year. Out of this sum will come funds for the library which will approximate nearly $5,000.

EASTER EARLIER IN 1913

Only Three Times In Last 100 Years Did It Come as Then When It Fell On March 23

Only three times in the last century did Easter come as early as it did in 1913, when it fell on March 23. Twice in the last century it fell on that date, and once a day earlier. It will not again come as early until the 21st century. Easter is determined by the paschal moon—the fourteenth day of the calendar moon, or the full moon which comes upon or next after March 21. If the full moon comes on Sunday, then Easter is the next Sunday following. Thus it cannot come before March 21. In 1818 it came on March 22, and in 1845 and again in 1850 it came on March 23. It comes on March 21 this year.

TEACHERS DID GOOD WORK

Col. McCord Writes That Good Report of Work Done for Draft Board Goes to Provost Marshal

Secretary E. M. Claypool of the county council of defense is in receipt of a letter from Lieut. Col. J. H. McCord, executive officer of the selective service league, in appreciation of work done for the draft board by public school teachers.

In a letter from Wm. F. Saunders, secretary of the Missouri council of defense, asking that a report be made of the work done by Nodaway county teachers in aiding the draft board with clerical work, Secretary Claypool reported that many teachers had volunteered for the work and that the work to be done had been completed in record time, more teachers being available than there was work for.

Following is Col. McCord's letter:

Middle Aged Women

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. GODDEN, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. FLORENCE ISELLA, Box 197, North Haven, Conn.

To Attend House Party.

Misses Edna Bonewitz, Lois Halley and Grace Langan will go to Clearmont tonight to attend a house party at the home of Mrs. Will Linebaugh.

To Meet a tParsonage.

The King's Herald Band of the First Methodist church will meet at 2:30 o'clock tomorrow with Borden and Sarar Ruth Cox at the parsonage.

Executive Board Decides Next Year's Work.

A report for next year's work was given yesterday afternoon at the meeting of the Executive Board of the Twentieth Century Club at the Elks Club rooms. The Tourist Department will take up the study of South America, and the Shakespeare Department will study "Antony and Cleopatra," and "The Tempest." The Arts and Crafts Department will probably do Red Cross work, while the Music Department is also undecided as to what its work shall be. The club also voted $10 to be donated to the Food Demonstration, which will be conducted by Miss Bertha Beal. A nominating committee of four women, Mrs. C. C. Hellmers, Mrs. Frank White, Mrs. Ben Chandler and Miss Grace Langan was appointed, and Mrs. Arthur Brewer and Mrs. L. E. White were appointed to revise the constitution. Fourteen members attended yesterday's meeting.

Made Quilts and Comforts.

About thirty women of the Ladies Aid Society of the First Christian church were busily engaged yesterday afternoon with needles and machine, getting out Red Cross orders, and making comforts. Five comforts and one quilt were completed and two more quilts were in the frames ready for their next meeting. Division C of the society also held a successful market. There are four divisions in the Aid Society, and once every three months a program and entertainment is given and the rest of their time is given to charity work.

Entertained C. E. C. Club.

Miss Katheryn Sturm entertained at her home in Clyde, the C. E. C. Club Wednesday. The afternoon was spent in needle work, after which a very dainty luncheon was served by the hostess, assisted by her mother. The following guests were present: Mrs. Jim Enis, Mrs. John Sturm, the Misses Carrie Weiss, Josie Burke, Betty Sturm, Bess Graham and the hostess.

Miscellaneous Shower.

A number of the ladies of the Centenary neighborhood met at the home of Mr. and Mrs. Roy Slauson and gave them a miscellaneous shower, consisting of canned fruit, vegetables, garden seed, china ware and quilts. Those present were Mrs. Carson, Mrs. J. W. Smith, Mrs. Homer Hainline, Mrs. C. W. Nichols, Mrs. Sam McGinness, Mrs. Charles Broyles, Mrs. W. D. McDonald, Laura Walton, Mary Cross, Eldora and Francis Nichols and J. W. Smith. The evening was spent socially after which members of the Centenary Red Cross auxiliary elected the following officers: Chairman, Miss Laura Walton; secretary, Mrs. Sam McGinness; treasurer, Mrs. W. D. McDonald.

Line Party.

The 1917 midyear graduates entertained last night with a line party at the Empire Theatre, followed by a luncheon at Reuillard's for Craig Tinney, who is visiting in Maryville. The young people were chaperoned by Miss Lois Halley. Those present were: Misses Cecile Fraser, Esther Dietz, Greta Kemp, Laura Curfman, Clara Wray, William Van Cleve, Euel Ramsey, Ernest Daniels, Henry Sawyers, Gerald Whaley and Craig Tinney. A night letter was sent to Miss Mildred Bellows, who is attending the Northwestern University. A number of others were unable to be present.

Interesting Meeting.

The Penelope Club met yesterday afternoon with Mrs. J. F. Cook, and spent the time in Red Cross work. Fifty-two many-tailed bandages were completed. This meeting was unusually interesting and well attended. Five guests, Mrs. Eugene Ogden, Mrs. H. S. Rowlett and daughter, Mrs. G. B. Holmes, and Mrs. T. J. Puckett were present.

Joint Market for Y. M. C. A. Fund.

The Sunday school classes of the First Methodist church taught by Miss Ethel Embree, Mrs. O. C. Hanna, Mrs. L. L. Holbrook and L. B. Tracy will hold a joint market Saturday at the Lippman building. The money will go to the Y. M. C. A. building fund. Everybody is cordially invited to help make this a success.

All Traces of Scrofula Cleansed from the Blood

Impurities Promptly Wiped Out.

If there is any trace of Scrofula, or other impurities in your blood, you cannot enjoy the full physical development that a healthy body is capable of until your blood has been thoroughly cleansed and purified of all traces of impure matter.

S. S. S., the wonderful old purely vegetable blood remedy, has no equal for removing the last trace of Scrofula and other blood taints, and there is no case that it does not promptly reach. S. S. S. will thoroughly cleanse and remove every disease germ that infests the blood and give you new life and vigor. It is sold by all druggists and you should get a bottle and begin its use to-day. To drive a tank, handle the guns, and sweep over the enemy trenches, takes strong nerves, good rich blood, a good stomach, liver and kidneys. When the time comes, the man with red blood in his veins "is up and at it." He has iron nerves for hardships—an interest in his work grips him. That's the way you feel when you have taken a blood and nerve tonic, made up of Blood root, Golden Seal root, Stone root, Cherry bark, and rolled into a sugar-coated tablet and sold in sixty cent vials by almost all druggists for past fifty years as Dr. Pierce's Golden Medical Discovery. This tonic, in liquid or tablet form, is just what you need this spring to give you vim, vigor and vitality. At the fag end of a hard winter, no wonder you feel "run-down," blue, out of sorts. Try this "Medical Discovery" of Dr. Pierce's. Don't wait! To-day is the day to begin! A little "pep," and you laugh and live.

The best means to oil the machinery of the body, put tone into the liver, kidneys and circulatory system, is to first practice a good house-cleaning. I know of nothing better as a laxative than a vegetable pill made up of May-apple, leaves of aloe and jalap. This is commonly sold by all druggists as Dr. Pierce's Pleasant Pellets, and should be taken at least once a week to clear the twenty-five feet of intestines. You will thus clean the system—expel the poisons and keep *well*. *Now* is the time to clean house. Give yourself a spring house cleaning.

LYCEUM COURSE NEXT WINTER

Committee Decides to Have None But High Class Talent

At a meeting of members of the Lyceum committee at the Commercial Club rooms it was decided to provide a Lyceum course during next winter and the secretary, E. M. Claypool, was instructed to correspond with various Lyceum bureaus in an effort to secure a suitable list of talent. It was the opinion that none but the best would be had. Supt. J. M. McDonald is chairman of the Lyceum committee.

Error in Marriage Statement.

In a recent issue of the Democrat-Forum an announcement was made of the approaching marriage of Miss Edith Wren, who taught science in the Maryville High School, and Mr. DeLong of Los Angeles. The statement was an error as Miss Wren was married Dec. 20, 1917, at her home in Chilhowie, Va., to Mr. Walter T. Whitney of Pasadena, Cal.

MARYVILLE WIDOW CRIES FOR JOY

"I couldn't eat anything but raw eggs and sweet milk and was so weak I could hardly walk across the room. I would have been in my gave today if I hadn't taken Mayr's Wonderful Remedy when I did. When I think how I have suffered with my stomach and how good I feel now I cry for joy." It is a simple, harmless preparation that removes the catarrhal mucous from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Maryville Drug Company.

Badges for Draft Officials.

Recognition of the services of officials in the local draft board has come from the government. The selective service heads are wearing a small bronze button on their coat lapels with the inscription, "Selective Service" over the letters "U.S." Draft officials all over the country have been supplied with the badges.

Mr. and Mrs. Theodore Gray have purchased the Barringer property on East Sixth street and will take possession at once.

Mrs. William Froyd left Wednesday night for her home in Washington, D. C., after spending the winter with her parents, Mr. and Mrs. A. J. Jensen of Bedison.

Miss Helen Trullinger went to Kansas City today to visit over Saturday and Sunday with friends.

CONTINUE EASTER SERVICES

On Sunday at First M. E. Church Rev. I. B. Schreckengast and Rev. G. A. Robbins Will Preach

The special Easter evangelical services being held at the First M. E church will continue next week with sermons on Next Sunday by Rev. I. B. Schreckengast, D. D., who will speak in the morning, and Rev. G. A. Robbins, D. D., who will occupy the pulpit in the evening. Week night services will be conducted by Rev. Gilbert S. Cox, pastor, who announces the following sermon subjects:

Monday—"Does Jesus Weep Over Maryville?"

Tuesday—"Who Is the Greatest Sinner?"

Wednesday—"Who Crucified Jesus?"

Thursday—"The Man Who Carried the Cross of Jesus."

Friday—"The Man Who Was Too Late."

Easter Sunday (morning)—"The Dynamics of Immortality."

Easter Sunday (evening)—"Private Peat."

All evening services are held at 7:30 o'clock, special music being a feature.

Install Motor Delivery.

A 350-gallon gasoline tank is being installed at the curb adjoining their grocery store by Schumachers, who will make a change from horse and wagon delivery to motors. Other additions and improvements make it one of the most up to date grocery stores in this part of the state.

CALUMET BAKING POWDER SAVES THREE WAYS
YOU SAVE WHEN YOU BUY IT
YOU SAVE TIME WHEN YOU USE IT
YOU SAVE MATERIALS IT IS USED WITH
—A moderate priced Baking Powder of greatest merit. Honestly made. Honestly sold. Economical in every way. Every particle is full of actual leavening value. A full money's worth.
—You save time when you use it. Calumet is all baking powder. It begins to raise bakings the instant they are put into the oven. You don't have to keep "peeping" to see if bakings are all right. You know they are. Calumet is *sure*—never fails. That's economy. And true economy—in cost—in use—in time.
One trial will prove it and *show* you in results why millions of shrewd, thrifty housewives prefer Calumet to all other brands.
—The unfailing strength of Calumet guarantees perfect results. Not only saves flour—sugar—eggs, etc.—but saves Baking Powder. You use only a teaspoonful—you use two teaspoonfuls or more of most other brands.
Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.

Seed Corn Wanted.

"Seed Corn Wanted" is in the minds of many of our readers and the Democrat - Forum calls the attention of all farmers and dealers who now have good seed corn for sale that a seed corn advertisement in the Democrat-Forum will benefit the advertiser and buyer both, bringing big dividends to this town and county before the year is gone.

Home grown seed of high vitality is better to plant here than any kind brought in from another climate.

Let us join hands to see that every farmer has, or has a chance to get, tested seed corn that will increase our acre yield to help win the war.

Enlist Your Kitchen In The War

The responsibility for winning this war lies largely in the HOME TRENCHES.

And the vital spot of the home trenches is THE KITCHEN.

BECAUSE—the upkeep of living is mostly in the kitchen—THE FOOD—ITS PREPARATION.

Food and Fuel are the two most important and expensive items of living. Therefore, from the conservation of food and fuel will come our greatest economies, and directly from that our greatest efficiency and help. And the boys OVER THERE will profit by every ounce of help that we can give them from OVER HERE.

ELECTRICITY CONSERVES FOOD AND COAL—It shortens and lessens the performance of every household duty—It is the one greatest aid for every home.

Public Sale

We will sell at auction at the farm at northwest corner of Maryville, Mo., at 2 o'clock p. m.

Tuesday, March 26th

Dairy Cattle

Thirteen beautiful, High Grade Jersey Heifers, all two-year-olds and most of them have freshened within the last 30 days, giving a nice lot of milk, and nicely broken.

They are daughters of the bunch of dairy cows we sold in our sale a year ago last fall, that averaged higher than any lot of grade cows ever sold in the county up to that time. A look at these heifers will convince you that they are the real thing in dairy cattle. Also will sell one 2-year-old Jersey bull, eligible to record and a good one, and quiet and well broke.

HORSES—A pair of 3-year-old draft fillies, dark blue roans, well matched, sired by two of Roelofson's best stallions, and out of the pair of roan mares that have been on the Phares Lumber Company wagon the past year. They are halter broke and gentle, but have not been hitched.

A pair of good coming 2-year-old black colts. One bay filly coming a yearling, sired by Converse horse, and dam is a daughter of Pheonix. One six-year-old white mare, a dandy saddle animal, and tough as iron.

POLAND-CHINA BOARS—A few good boar pigs of last fall farrow.

SEED CORN—About 50 bushels of Jamison's Early Yellow, our own raising, and a corn that will grow and matures every year, regardless of season.

BALED STRAW—About six tons of good bright oat straw, baled early last fall and stored under roof.

TERMS—Cash or bankable note.
